

# Enabling Disability Inclusion Through Partnerships

Ms Chia Ai Ling

Director, Communications & Partnerships

SG Enable

# SG ENABLE

**Inclusive society. Enabled lives.**

- Set up by Ministry of Social and Family Development (MSF) in 2013
- **Focal agency and first stop** for disability and inclusion in Singapore

**Company Limited by Guarantee (Not-for-Profit) | Charity | Institution of Public Character (IPC)**

“

*SG Enable creates **equitable opportunities** for persons with disabilities to aspire and fulfil their potential, through **thought leadership, sustainable social innovation and impactful partnership.***

*Our Mission Statement*

# Focal Agency & 1st Stop for Disability & Inclusion

**Advocate**

**Value Persons with Disabilities as Integral Members of Society**

**Catalyst**

**Integrate Ideas and Expertise  
to Accelerate Change**

**Enabler**

**Integrate Resources to Build  
a Robust Disability Support Ecosystem**

# Building a more inclusive healthcare system through partnerships

- Efforts to create a **more inclusive and empathetic** healthcare experience for PWDs
  - Inclusive dental and medical outreach clinic by Mount Alvernia located in Enabling Village
- SG Enable has conducted sharing sessions to foster understanding on the challenges faced by persons with disabilities in the healthcare setting and share resources with healthcare professionals to address them
  - Updating GPs on the services available to persons with intellectual disabilities through College of Family Physicians
  - Discussions on **digital & physical accessibility** and **inclusive customer service** for persons with disabilities with Singhealth's Office of Patient Experience (OPE) and Singhealth Patient Advocacy Network (SPAN)

Sharing by our iChamp, Mr Joshua Tseng (VI), at SingHealth Patient Advocacy Network (SPAN)

**Disability Inclusive Customer Service Workshop**

**Learning Outcomes**

- Gain basic knowledge of the different types of disabilities
- Learn how to interact and communicate effectively with persons with disabilities
- Understand the challenges encountered and constraints faced by persons with disabilities
- Learn about Accessibility Considerations

**Learning Format**

The workshop will be conducted in the form of in-person/virtual classroom-based lecture, experiential activities/demonstrations, and group discussion and presentation.

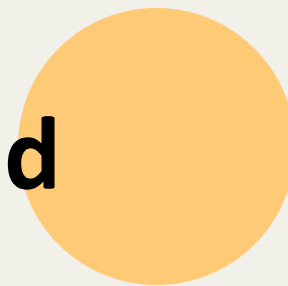

**Icons:** A grid of icons representing various types of disabilities, including hearing impairment, physical disabilities, intellectual disabilities, and sensory disabilities.

**SG ENABLE logo**

**Inclusive society. Enabled lives.**

SG Enable's Disability Inclusive Customer Service Workshop at the College of Family Physicians' Family Practice Skills Course on "Persons with Intellectual Disability: A Life Course Approach"

# What It's Like To Go Blind

Left Eye Vision

Editor's recreation of  
reasonable accuracy

of what I see through my  
left eye.

Right Eye Vision

Editor's recreation of  
reasonable accuracy

And this is what I see  
through my right eye.

Normal Vision
